3rd Digital Hospital & Healthcare Innovations Summit

10 – 12 October 2017, Pullman Melbourne on the Park, Melbourne

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

MORE THAN 30 SPEAKERS, INCLUDING:

Marco Baccanti
Chief Executive, Health Industries SA, Department of State Development, Government of South Australia

Damian Claydon-Platt
Chief Clinical Information Officer, Epworth Healthcare

Heather Grain
Board Member, HL7 Australia Chairperson, HL7 International Terminology Authority

Andrew Crawford
Director, Primary & Community Care Services

Christine Giles
CEO, Portland District Hospital

Professor Erwin Loh
Executive Director, Innovation, Patient Safety & Experience/Chief Medical Officer, Monash Health

KEY THEMES

Artificial Intelligence in Healthcare
Human-centered design in digital healthcare
Digitization in Rural Health

Strategic interoperability framework
My Health Record Updates & Latest Developments
Internet of Medical Things

Driving Patient’s journey through data & technology
AR & Virtualization in Healthcare
IeMR strategies and implementation

Transformation into a digital hospital
Advances in Medical Robotics
Navigating the Uncanny Valley: when nurses work with robots

admissions@claridenglobal.com  http://www.claridenglobal.com  +61 3 9909 7310
Top Notch Speakers Line-Up

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

Featuring C-Level Speakers Line Up

HEATHER GRAIN
Board Member, Chairperson
HL7 Australia, HL7 International Terminology Authority

MARCO BACCANTI
Chief Executive
Health Industries SA, Department of State Development, Government of South Australia

CHRISTINE GILES
CEO, Portland District Hospital

DEWALD BOTHA
Chief Technology Officer
Tristar Medical Group

DR MONICA TRUJILLO
Chief Clinical Information Officer
Australian Digital Health Agency

CHRISTOPHER BAIN
Chief Health Information Services Manager
Mercy Public Hospitals

ANDREW CRAWFORD
Director
Primary & Community Care Services

DEWALD BOTHA
Chief Technology Officer
Tristar Medical Group

LISA LEWERS
Co-Founder
Heartbeat AI

PROFESSOR ERWIN LOH
Executive Director, Innovation, Patient Safety & Experience/Chief Medical Officer
Monash Health

CHRISTOPHER BAIN
Chief Health Information Services Manager
Mercy Public Hospitals

DAMIAN CLAYDON-PLATT
Chief Clinical Information Officer
Epworth Healthcare

RUSSEL WITHERS
Executive Director, Information & Performance/Chief Information Officer
Footscray Hospital/ Western Health

ANDREW CRAWFORD
Director
Primary & Community Care Services

PROFESSOR ERWIN LOH
Executive Director, Innovation, Patient Safety & Experience/Chief Medical Officer
Monash Health

DR STAFFAN FLODIN
Chief Information Officer
Smart Clinics

DR BERNARD SIA
CEO
Banksia Medical Center

DARRIN HACKETT
Chief Virtualization Officer
CD Thames Hospital, CD Virtual Healthcare, Waikato DHB

DAVID MAHER
Managing Director
Catholic Healthcare

Call: +61 3 9909 7310 | Email: admissions@claridenglobal.com | Visit: http://www.claridenglobal.com
Top Notch Speakers Line-Up

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

1. Fresh, novel, first-time topics directly relevant to hospital efficiency, clinician effectiveness and positive patient outcomes
2. At one singular platform, meet with CEOs, Managing Directors, CIOs, CTOs, Directors, Clinicians, Nursing Experts, Technology Leaders, Investors and all key decision makers in the whole healthcare ecosystem
3. Practical real-situation best practice experience to be liberally shared, no motherhood statements, with many successful digital health case studies
4. Take the front seat as new Healthcare Technologies are being rolled out, discovered and beta-tested for final clinical adoption
5. How digital health models would have to change, with the full application of human centered design and real-life user experience, with good patience outcomes as the goal, in applying technology to models of care

Unbeatable Reasons why this is an uniquely different Must-Attend Healthcare Summit of the Year:

1. Fresh, novel, first-time topics directly relevant to hospital efficiency, clinician effectiveness and positive patient outcomes
2. At one singular platform, meet with CEOs, Managing Directors, CIOs, CTOs, Directors, Clinicians, Nursing Experts, Technology Leaders, Investors and all key decision makers in the whole healthcare ecosystem
3. Practical real-situation best practice experience to be liberally shared, no motherhood statements, with many successful digital health case studies
4. Take the front seat as new Healthcare Technologies are being rolled out, discovered and beta-tested for final clinical adoption
5. How digital health models would have to change, with the full application of human centered design and real-life user experience, with good patience outcomes as the goal, in applying technology to models of care

Call: +61 3 9909 7310 | Email: admissions@claridenglobal.com | Visit: http://www.claridenglobal.com
More than Allscripts solutions

Visit: www.allscripts.com

Creating the healthcare IT architecture of tomorrow.

We're a team of more than 7,000 strong devoted to fulfilling your needs today and greater precision, for healthier patients, populations and communities.

We help build your bridge to the future, by constantly innovating to improve the practice of medicine and the process of care delivery.

We're a team of more than 7,000 strong devoted to fulfilling your needs today and creating the healthcare IT architecture of tomorrow.

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

2016 Summit

- Nib Health Funds Limited
- Gold Coast Hospital & Health Service
- Western Sydney Local Health District
- Siemens Healthineers
- University of Otago

More than 150 delegates:

- Australian Health Design Council
- The George Institute for Global Health
- Dell Inc.
- St Vincent’s Health Australia
- Calvary Healthcare and many more

Bronze Sponsor

Peacock Bros

Established in 1888 as a printing business, we have grown into one of the ANZ region’s largest providers of identification, tracking and mobility solutions in the supply chain. With over 12,000 customers, Peacock Bros manufactures high quality labels, tags, and thermal ribbons. We also install and support world-leading printing and data capture equipment from brands such as Zebra Technologies, Honeywell and Motorola. With our own in-house development team and a dedicated service and support centre, we tackle challenges that other companies simply wouldn’t touch.

Despite our growth, Peacock Bros today remains committed to the family values that we have lived by since day one. These values include integrity, respect and loyalty for our customers and the people we employ. We wouldn’t want it any other way.

Visit: www.peacocks.com.au

Siemens Healthineers

Our Focus: Helping you succeed and serving as your trusted partner.

Our Mission: Allscripts solutions enable smarter care, delivered with lower costs. This purpose drives our focus: to lead the transformation of healthcare together with the ones delivering it.

In healthcare, change is rapid and ongoing, and we understand the challenges and pressures that come along with it.

Being a leading global healthcare company, we at Siemens Healthineers are continuously developing our portfolio, from medical imaging and laboratory diagnostics, to adding managed services, consulting, and healthcare IT services – as well as further technologies for therapeutic and molecular diagnostics.

Presentation Sponsors

Primaxis

Primaxis creates innovative, creative technology solutions that bring outstanding results to all kinds of organisations. Originally named Dr Notes, Primaxis is an Australian based, Premier IBM Business Partner with substantial experience across the range of IBM and other leading vendors’ technologies including Microsoft. When a customer works with Primaxis, they have access to an extraordinary group of passionate, creative experts.

Our team of skilled specialists includes published authors, award winning instructors, IBM champions, multi-talented software engineers and infrastructure experts.

Tabletop Sponsors

Lenovo

Our journey began humbly in 1984 at a guardhouse in China, when Legend Holdings was formed with an investment of just RMB 200,000 (US$ 25,000). In 1988, we opened for business in Hong Kong and, within eight years, we became China’s largest PC company. In 2004, we were renamed Lenovo.

Today, we are a US$46 billion multinational company with 55,000 employees serving customers in over 160 countries. Ranked #262 on the Fortune 500 list, we are proud to be the world’s largest PC vendor. Our portfolio now includes workstations, servers, storage solutions, IT management software, smart TVs, tablets, smartphones, and even apps.

As the world becomes faster, more demanding, and more competitive, so has our business. By continually innovating, we enable our customers to challenge and inspire everyone around them. And help keep things moving forward in a more interesting way.

Media Partners

The Australian Information Industry Association [AIIA] is Australia’s peak representative body and advocacy group for those in the digital ecosystem. We are a not-for-profit organization to benefit members, and AIIA membership fees are tax deductible. Since 1978 the AIIA has pursued activities to stimulate and grow the digital ecosystem, to create a favorable business environment for our members and to contribute to Australia’s economic prosperity.

We do this by delivering outstanding member value by:
• providing a strong voice of influence
• building a sense of community through events and education
• enabling a network for collaboration and inspiration; and
• developing compelling content and relevant and interesting information

Visit: www.aiia.com.au

The Hospital and Health Suppliers Guide is Australia’s leading niche market directory and website, matching suppliers with health industry purchasers throughout Australia for the past 39 years.

Published annually since 1976, the Hospital and Health Suppliers Guide showcases over 2000 of Australia’s top health suppliers and is complimented by our e-Book and enhanced website.

Visit: www.hospitalsuppliers.com.au

The Australian Healthcare and Hospitals Association [AHHA] is Australia’s national peak body for public health care providers. We provide our members with a national voice for public health care. Our vision is for an effective, innovative and sustainable health system where all Australian have equitable access to healthcare of the highest standard when and where they need it.

AHHA’s major activities include robust advocacy and research programs, offering a variety of training opportunities for members and hosting events to showcase research, provide information and encourage debate and knowledge sharing in the Australian health community.

Visit: www.ahha.asn.au

Our vision: Building intelligent Health Organizations through collaboration learning...

Our mission: To improve patient care and support health care workers by assuring access to the right information in the right place at the right time.

Visit: www.healthxn.com.au

Medical professionals and allied health staff are practising in an age where electronic data is fast superceding our traditional paper based data. Moving this electronic data from stationary computers to convenient handheld mobile devices represents the cutting edge of technological developments in medicine. We are seeing the development of smartphones, tablets, telemedicine, and highly portable versions of previously large immobile equipment. Modern medicine is a science that heavily relies on evidence based decision making. Our vision is to be the foremost resource for quality research examining the varied uses of mobile technologies in medicine, allowing for evidence based decision making. Our mission is to promote further development in this field by documenting advances, providing a field for discussion, and stimulating further research.

Visit: www.journalmtm.com

Since 2004, Medgadget has been reporting on medical technology from around the world. We cover the latest medical devices and approvals, technology breakthroughs and discoveries, conduct exclusive interviews with med tech leaders, and file reports from healthcare conferences.

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

Capitalize on this Summit

Do you have solutions to help enhance patient outcome & clinician effectiveness? For Managing Partners and Partners, this Summit provides an unprecedented opportunity to tap on to new clients. Looking for the ideal platform to raise your profile and to increase your ROI?

Join us as a Corporate Sponsor and Exhibitor at the 3rd Digital Hospital & Healthcare Innovations Summit!
More details will be furnished upon request.

Leverage our limited sponsorship packages to strength and confirm your market position through consistent and continual branding awareness and take advantage of the plethora of opportunities with high level decision makers.

Your Partnership with us will provide you with:
• Unparalleled industry exposure
• Leads generation and set-up of meetings with key decision makers
• Positioning your company as a thought-leader
• Reaffirming your position in the industry

Please contact Catherine Werner at +65 6716 9996 or email catherine@claridenglobal.com to discuss potential exhibition and sponsorship opportunities or to customize your own package.

Benefits as Media Partner or Supporting Organization at the 3rd Digital Hospital & Healthcare Innovations Summit
• Enhance your corporate profile and visibility within your industry – Your company’s logo will be emblazoned on our brochures and distributed to key decision makers across Australasia
• Affiliation with Australasia’s best commercial event organizer

Clariden Global events are widely known and well supported throughout the Asia-Australasia region for giving best value to senior industry executives. We partner with selected media and supporting organizations, capable of delivering the highest caliber of expert knowledge and key industry insights to the target market.

If you meet the criteria mentioned above and would like to explore the opportunity to partner with us for the 3rd Digital Hospital & Healthcare Innovations Summit, please contact Kevin Young at +61 3 9903 7310 or email kevin@claridenglobal.org.
DAY ONE - 10 OCTOBER 2017

09:00 Welcome Remarks by Clariden Global

09:05 Opening Keynote Address: Australia’s Long Term Healthcare Plan
The Australian federal government has allocated $374.2 million over two years from July 2017 to provide all Australians with a My Health Record, unless they choose not to have one. This funding will be used to support the expanded roll-out of the opt-out model, to improve operations of the system and to make it easier for health providers to register for it. The federal government intends to move the My Health Record to an opt-out system by 2019 following a finding in its long-awaited Siggins Miller evaluation report of two trial sites of the opt-out approach that there is almost universal support for the automatic creation of electronic health records, from both consumers and healthcare.

Ministerial Representative
Australia Federal Government

09:15 Overcoming the Challenges of Inter-Operability in Digital Healthcare and Standards
Heather Grain
Board Member, HL7 Australia
Chairperson, HL7 International Terminology Authority
International Standards Organisation TC215 (Health Informatics) Semantic Content Expert
Technical Advisor to the Governments of India and Brazil on eHealth

11:20 Healthcare & Hospital CEO Forum
• What’s next for healthcare and where do we see ourselves in 15-20 years?
• Current and recently completed digital hospital projects
• The challenge of achieving optimal patient care outcomes & delivering new models of care
• Managing disrupting technologies in medicine
• Delivering cost-effective healthcare services
• Thinking outside the box
• The Whole-of-Health Approach
• Implementing transformative strategies that work
• The medical doctor’s perspective of digital healthcare
• Transforming healthcare for seniors & community health

David Maher, Managing Director, Catholic Healthcare
Dr Bernard Sia, CEO, Banksia Medical Center
Christine Giles, CEO, Portland District Hospital
Demos Krouskos, Chief Executive Officer, North Richmond Community Health
Jeremy Kestenberg, Managing Director, Revita Health for Seniors
Dr Andrew Walby, Director (Emergency Medicine), St. Vincent’s Hospital
Alan R Kinkade, past Group Chief Executive, Epworth HealthCare (invited) Senior Management, Western Health

09:45 Reserved for Platinum Sponsor for Project Showcase

10:10 Morning Refreshments (Sponsorship Opportunity Available)

10:40 Opportunities for New Investments in Healthcare, Digital Health and Health-Tech: Perspectives from CEO, Investors, Incubators, Business Collaborators, Hospitals
• New Opportunities & Challenges in financing new healthcare projects and business
• Pricing framework for public hospital services
• Looking at how health records and data can be the center of a policy targeting new healthcare investments and state economic development
• Case studies of concrete initiatives in new healthcare investments, and their impact on developing new health initiatives
• Affordable healthcare and insurance
• Innovation in the digital and health space

David Maher, Managing Director, Catholic Healthcare
Dr Bernard Sia, CEO, Banksia Medical Center
Christine Giles, CEO, Portland District Hospital
Demos Krouskos, Chief Executive Officer, North Richmond Community Health
Jeremy Kestenberg, Managing Director, Revita Health for Seniors
Dr Andrew Walby, Director (Emergency Medicine), St. Vincent’s Hospital
Alan R Kinkade, past Group Chief Executive, Epworth HealthCare (invited) Senior Management, Western Health

Call: +61 3 9909 7310 | Email: admissions@claridenglobal.com | Visit: http://www.claridenglobal.com
Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

12:10  Reserved for Gold Sponsor for Project Showcase

12:30  Networking Luncheon (Sponsorship Opportunities Available)

14:00  Driving Patient’s Journey and Experience through Data and Technology

- Patient Journey Modelling - Improving Patient Flows
- Improving operational management (especially where changes have resulted from partnering with consumers)
- Reducing Medication Errors and Patient Safety in Hospitals
- ICT initiatives that demonstrate sustainable patient flow improvements
- Strategies and challenges in patient engagement
- Contingency planning, protocols including scalability of escalation/surge responses
- Utilising hospital avoidance strategies to mitigate demand
- Digital referral channels: Protocols for reassigning patients offsite for non-acute care
- Strengthening the discharge process
- Embed clinical governance to improve patient outcomes and care
- Improve the flow of information to better identify deficiencies of care
- Apply innovative patient-centered models for quality and safety excellence
- Strengthen clinician engagement and communication during handover
- Quality improvement activities towards medication safety interventions
- Understanding what part of the patient journey and therefore benefit realisation is actually attributable to a digital health record rather than the current motherhood type benefits that rely on actions as a result of information visibility not just that a risk assessment was completed

14:45  Case Study: How an existing healthcare outfit transform itself into a successful Digital Hospital

- Understanding the complexity of a Digital Hospital
- Learning from failed initiatives
- System transformation with limited resources
- Defining digital strategy and implementation: challenges to overcome and options
- Clinical engagement in digital health

Chris Guest, ICT Strategic Manager, ForensiCare, Victorian Government

15:30  Afternoon Refreshment & Networking (Sponsorship Opportunity Available)

15:45  Case Study of the Clinical & ICT Journey of a new Heart Hospital

- Planning and developing a heart hospital
- Future-proofing for capacity growth and new paradigms of care
- Strategy for clinical transformation
- Planned technology, HIMSS 6 aspirations
- Integrating eHealth solutions in design

Anne Mennen, Director of Development, Victorian Heart Hospital

16:30  Case Study of Digitization in Rural Health

How to strategize digital health for better patient outcomes for the regional and rural communities

Dewald Botha, Chief Technology Officer, Tristar Medical Group

17:00  Closing Remarks

17:15  Champagne Cocktail Networking Session (Sponsorship Opportunity Available)

Enjoy a glass of champagne whilst networking with other like-minded individuals on topics that are of most interest to you and fellow delegates.
Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

DAY TWO – 11 OCTOBER 2017

09:00 Host Address: Victoria’s Healthcare Plan and Digital Health Strategy
Senior Representative
Government of Victoria

09:15 Australia’s National Digital Health Plan: Latest Updates, Rollouts, Implementation, Latest on the “My Health Record” Program
- Producing a National Digital Health Strategy that reflects the needs of patients and health care providers
- Learnings from the National Digital Health Strategy consultation
- Establishing the framework for a digital healthcare system
- The Rollout Timeline and Plan Execution
- “My Health Record” adoption, implementation status quo report

Dr Monica Trujillo, Chief Clinical Information Officer, Australian Digital Health Agency

10:00 Human Centered Design and User Experience in applying technology to models of care and how those models have to change

Usability and User Experience of software based healthcare technology
- Integrating clinician concerns and requirements in the digitization process
- Educating clinicians about what to ask for when it comes to usability and user experience
- Consulting with end-user clinicians to ensure systems and processes meet needs
- Enhancing clinician understanding of technology and addressing their negative experiences with technology
- Setting benchmarks for end-user functionality and driving optimal clinician experience

Design challenges for the next generation of computerised decision support
- Computerised decision support (CDS) has the potential to improve safety and efficiency of care
- CDS is a deceptively simple concept and getting it right is a major challenge
- Ongoing evaluation of CDS is critical to ensure that it remains usable and useful

Matiu Bush, Design Integration Lead, RSL Care & Royal District Nursing Service
Christopher Bain, Chief Health Information Services Manager, Mercy Public Hospitals
Melissa Baysari, Senior Research Fellow, Centre for Health Systems & Safety Research, Australian Institute of Health Innovation

10:45 Morning Refreshments (Sponsorship Opportunity Available)

11:00 Enterprise Architecture in Healthcare
- Why bother with an enterprise health-check?
- The numerous benefits of Enterprise Architecture
- Architecting our digital health future

Damian Claydon-Platt, Chief Clinical Information Officer, Epworth Healthcare

11:20 Healthcare CIO & IoT Forum
- Technological Innovation and the Future of Medicine
- From legacy systems to new tech: the transformation journey and implications for adoption
- Design challenges for the next generation of computerized decision support
- Internet of Things and sensing as a service
- Connected devices for Healthcare
- Proof of Concept for new Health-Tech startups, integrating into the hospital & healthcare ecosystems
- Evaluating for the right vendors/suppliers
- Reverse thinking: allowing business transformation to drive IT initiatives
- Driving SMD (Secure Message Delivery) interoperability
- Longitudinal patient record integration

Damian Claydon-Platt, Chief Clinical Information Officer, Epworth Healthcare
Russel Withers, Executive Director, Information & Performance/Chief Information Officer, Footscray Hospital
Andrew Crawford, Director, Primary & Community Care Services
Dewald Botha, Chief Technology Officer, Tristar Medical Group

12:10 The Clinician’s Perspectives of Digital Healthcare
- On the ground clinical experience
- Real world constraints
- The promise of AI marred by the elephant in the room?
- Inclusiveness and patient safety
- Technological innovation and the future of medicine

Professor Erwin Loh, Executive Director, Innovation, Patient Safety & Experience/Chief Medical Officer, Monash Health
Professor Michael Buist, Clinical Leader [Intensive Care], Tasmania North West Area Health Service
Leveraging clouding computing and deep learning for wider accessibility of advanced diagnostics

Clinical decision support systems in Hospitals

Applications of AI in Healthcare via intelligence sensors, signal processing, anomaly detection, multivariate classifiers, deep learning on molecular interactions,…

AI in medical imaging

Emotive AI for therapeutic care

Artificial intelligence will be a key enabler of digital health capabilities

The AI path travelled by Google DeepMind Health & IBM Watson

Dr Staffan Flodin, Chief Information Officer, Smart Clinics

Lisa Lewers, Co-Founder, Heartbeat AI

Christopher Bain, Chief Health Information Services Manager, Mercy Public Hospitals

Dr Staffan Flodin, Chief Information Officer, Smart Clinics

Lisa Lewers, Co-Founder, Heartbeat AI

Christopher Bain, Chief Health Information Services Manager, Mercy Public Hospitals

Roundtable A: Advances in Medical Robotics

Use of robotics in revolutionizing healthcare delivery

Robotics in the surgical theatre

Soft robotics for aftercare therapy

Robotic-human physio for seniors?

Automation cost and acceptance

Andrew Crawford, Director, Primary & Community Care Services

Jeremy Kestenberg, Managing Director, Revita Health for Seniors

Roundtable B: Advances in Medical Virtualization, Healthcare AR/VR & Telemedicine

Advent of Virtualization & AR in healthcare

Beyond telehealth to virtualizing care

The national move to facilitate digital access through health care homes

Connected care: linking health and social care into the home

Tele-surgery pilot projects

Darrin Hackett, Chief Virtualization Officer, CD Thames Hospital, CD Virtual Healthcare, Waikato DHB

Senior Management, Australian Digital Health Agency

Roundtable C: Advances in Artificial Intelligence, Deep Learning & Big Data in Healthcare

m-Health 2.0: Opportunities and challenges for health data analytics

Data analytics is now a key pillar of digital health

Smart clinical decisions and big data

Electronic Health Records (EHRs) for private and public hospitals

Dr Staffan Flodin, Chief Information Officer, Smart Clinics

Lisa Lewers, Co-Founder, Heartbeat AI

Christopher Bain, Chief Health Information Services Manager, Mercy Public Hospitals

Dr Staffan Flodin, Chief Information Officer, Smart Clinics

Lisa Lewers, Co-Founder, Heartbeat AI

Christopher Bain, Chief Health Information Services Manager, Mercy Public Hospitals

Roundtable D: Nursing Leadership and Technological Changes

Developing Nursing Leadership programs

Real-time monitoring of prospective gaps in mandatory risk assessments

The adept use of nursing information and data

Integrating patient care

Infection prevention in the wards

Managing nursing shortage and talent management challenges

Nurse humanoids: aid or foe?

Case Study: O & G issues in IT transformation

Cheryl McCullagh, Director of Clinical Integration, The Sydney Children’s Hospitals Network

Cheryl McCullagh, Director of Clinical Integration, The Sydney Children’s Hospitals Network

Roundtable E: Advances in Pharma Practice

e-Procurement Distinctives

ADMs in Pharma & Clinical Practice

The National Product Catalogue: Towards an Interoperable System

Australia’s Long Term Health Plan Budget and impact on Pharmaceutical Pricing & Reimbursement

3D printing for pharma

Sanjoy Nand, Service Manager, Pharmacy & Medication Safety, Middlemore Hospital

Sanjoy Nand, Service Manager, Pharmacy & Medication Safety, Middlemore Hospital

Afternoon Refreshment & Networking (Sponsorship Opportunity Available)
Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

15:45 Case Study of an Integrated electronic medical record (ieMR) strategy and implementation
Renea Collins, Clinical Director for eHealth, Metro South Health Service

16:15 Case Study of Designing the “waiting room of the future” and the role of technology
Invited Health Tech Expert

16:45 Healthcare of the Future Panel Discussion
- Healthcare solutions of the future need to focus on prevention rather than cures
- Patient specific devices and the future development of bespoke healthcare
- From predictive analytics to prescriptive analytics? The rise of medical AI
- Navigating the Uncanny Valley: Getting use to new medical robotics & other disruptive innovations

Darrin Hackett, Chief Virtualization Officer, CD Thames Hospital, CD Virtual Healthcare, Waikato DHB
Dr Staffan Flodin, Chief Information Officer, Smart Clinics
Renea Collins, Clinical Director for eHealth, Metro South Health Service
Lisa Lewers, Co-Founder, Heartbeat AI
Professor Michael Buist, Clinical Leader (Intensive Care), Tasmania North West Area Health Service

17:30 Closing Remarks & End of Day 2
Workshop A: 09:00 - 12:30 (Sponsorship Opportunities Available)

Fixing Cybersecurity Challenges for Hospitals & Healthcare Institutions

The recent ransomware attacks brought down many hospital IT systems worldwide, including NHS hospitals in the UK, and closer to home, hospitals in Indonesia. The healthcare sector is a laggard in cyber security investment and preparedness. With increasing IT integration and IoT connectivity, there is a great urgency to fix whatever cybersecurity loopholes now. Can Blockchain technology be deployed to secure your health records and medical data? When Quantum Technology is fully operationalized, is there a last line of defense for hospital cyber security?

Workshop B: 14:00 - 17:00 (Sponsorship Opportunities Available)

Optimizing Digital Technology Solutions for Healthcare

What are the real difficulties and obstacles faced by clinicians looking for digital health solutions? What are the feasible approaches to bridge these expectation gaps and achieve successful, implementable digital innovations in the delivery of care? What are the clinical and operational considerations in building a digital solution suitable for a particular healthcare need? How do you enable your EMR connect seamlessly with your AI solution, robotics, remote imaging.....to the waiting room of the future?
Seniority Level of Participants

Seniority Level: 75% of Participants will be Director Levels & Above

- **50%**: Board / C-Level / President / Director / MD
- **20%**: VP / Director
- **20%**: Manager
- **10%**: Head of Departments

Industries/Sectors:
- Public Hospitals
- Private Hospitals
- Local Area Health Services
- Aged Care Facilities
- Primary Care & Allied Care
- Federal Government Departments
- State & Territory Government Departments
- Health ICT Software and Technology Providers
- ICT Consultants
- Medical Centres
- Nursing Homes
- Community Hospitals
- Indigenous & Rural Health
- Healthcare Investors & Angels
- Health Start-Ups & Unicorns
- Healthcare Insurance
- Pharmaceuticals
- Medical Specialties
- Medical Tech/Devices/Diagnostics/Equipment/IoT/AR/AI/Robotics
- Healthcare Consultants
- Cybersecurity Solution Providers/Quantum Tech
- Healthcare Lawyers

In the Roles of:
- C-Level/VPs/Directors/Heads/MDs/GMs-Managers/Specialists/Leads
- eHealth
- Medical/Health Information
- Clinical Applications & Technology
- Nursing
- Physiotherapy
- Healthcare IT
- Healthcare Investment
- Corporate Development
- Clinical Operations
- Strategy
- Project Management
- Facilities Management
- Procurement and Administration
- Innovation
- Design
- Technology Lead
- Patient Experience
- Clinical Integration
- Virtualization/AR
- Telehealth
- Cybersecurity
- Research
- Transformation & Change
- New Investments
- Artificial Intelligence
- Business Intelligence
GOOD REASONS TO JOIN US THIS OCTOBER AT THE 3RD DIGITAL HOSPITAL & HEALTHCARE INNOVATIONS SUMMIT

1. Understand how to manage chronic diseases of ageing through technology and bespoke healthcare solutions for seniors.

2. Track the evolving role and advances in digital hospitals and learn how you can steadily redesign the delivery of healthcare in Australia & New Zealand.

3. Discover new healthcare investment opportunities and the latest technologies to improve healthcare provision and stay relevant with the changing healthcare scenario.

4. Quantify how investments in digital technology can translate into measurable improvements for better patient outcome, safety and the health professionals’ effectiveness.

5. Develop a more complete whole-of-health approach that involves all stakeholders in the healthcare of the future value chain and speed up the change management process.

7. Network and forge new collaboration with many CEOs and other high-level and C-level decision-makers.

8. Recognize the critical need of cybersecurity, in the wake of new ransomware and other hackings.

10. Learn from hospitals that have taken the successful digital path to deal with unexpected challenges encountered, but still achieving sustainable healthcare delivery with improved ROI.

Summit Highlights

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE
4 WAYS TO REGISTER

Email: admissions@claridenglobal.com
Fax: +61 3 9909 7788
Call: +61 3 9909 7310
Website: www.claridenglobal.com

PAYMENT METHODS

BY CHEQUE / BANK DRAFT:
Made payable to CLARIDEN GLOBAL INTERNATIONAL LIMITED and mail to: 3 International Business Park, #04-29, Nordic European Centre, Singapore 609927.

BY TELEGRAPHIC TRANSFER TO:
Bank Name: Standard Chartered Bank
Bank Code: 7144
Bank Branch Code: 001
Bank Address: 1 Battery Road, #01-12 Singapore 049909
Bank Account No: 0107759042
Bank Account name: CLARIDEN GLOBAL INTERNATIONAL LIMITED
SWIFT Code: SCBLGL22

Please note that all bank charges are to be borne by participants. Please ensure Clariden Global International Limited receives the full invoiced amount.

Note: Please include invoice number on all payment types and your company’s name in your payment instructions for our reference.

CREDIT CARD:
To make payment by credit card, please call our client services hotline at +61 3 9909 7310.

CONFERENCE VENUE AND ACCOMMODATION INFORMATION

Pullman Melbourne on the Park, Melbourne
10 - 12 October 2017
192 Wellington Parade, Melbourne VIC 3002, Australia
Tel: +61 3 9419 2000
Website: http://www.pullmanonthepark.com.au/

HOW TO REGISTER AND PAY

An invoice and registration confirmation will be sent within 7 days, please contact us if you have not heard from us within 7 days. Payment can be made by credit card, by bank transfer or by cheque made payable to “CLARIDEN GLOBAL INTERNATIONAL LIMITED”.

ALL PAYMENTS MUST BE RECEIVED IN ADVANCE OF THE EVENT.

ACCOMMODATION

Accommodation is not included in the program fee but you will be entitled to use our corporate rate for your accommodation. Information will be sent along with your registration confirmation.

CANCELLATIONS AND SUBSTITUTIONS

Once we have received your booking, the place(s) are confirmed. No refunds will be made for any cancellations, however, program credits of equivalent value only applicable for Clariden Global events will be provided. Credits can only be redeemed for 1 program and is valid for only one (1) year from date of issue.

Substitution with a qualified candidate is allowed by providing at least 5 working days of advance notice to Clariden Global. One time substitution is allowed with no charges. Subsequent substitutions will be charged 10% admin fee.

ALL CANCELLATIONS MUST BE RECEIVED IN WRITTEN FORM

PLEASE NOTE: CLARIDEN GLOBAL INTERNATIONAL LIMITED reserves the right to change the content and timing of the programme, the speakers and the date and venue due to reasons beyond their control. If in the unlikely event that the course is cancelled, CLARIDEN GLOBAL INTERNATIONAL LIMITED will refund the full amount and disclaim any further liability.

ENQUIRIES: If you have any queries about registration or payment please do not hesitate to contact our client services department on +61 3 9909 7310.

PRIVATE DISCLOSURE STATEMENT: Any information provided by you in relation to this event is being collected by CLARIDEN GLOBAL INTERNATIONAL LIMITED and will be held in the strictest confidence. It will be added to our database for the primary purpose of providing you with information about future events and services.
