

3RD Digital Hospital & Healthcare Innovations Summit

10 – 12 October 2017,
Pullman Melbourne on the Park,
Melbourne

Augmenting Health:
Towards Better Patient
Outcome, Clinical
Effectiveness

MORE THAN 30 SPEAKERS, INCLUDING:

Bronwyn Le Grice

Managing Director, **ANDHealth**/
Co-Founder and Health Special Advisor,
BioScience Managers

Damian Claydon-Platt

Chief Clinical Information Officer
Epworth Healthcare

Heather Grain

Board Member, **HL7 Australia**
Chairperson, **HL7 International**
Terminology Authority

Christine Giles

CEO
Portland District Hospital

Professor Erwin Loh

Executive Director, Innovation, Patient
Safety & Experience/Chief Medical Officer
Monash Health

KEY THEMES

Artificial Intelligence in
Healthcare

Strategic interoperability
framework

Driving Patient's journey
through data & technology

Transformation into
a digital hospital

Human-centered design
in digital healthcare

My Health Record Updates
& Latest Developments

AR & Virtualization in
Healthcare

Advances in Medical
Robotics

Digitization in Rural Health

Internet of Medical Things

leMR strategies and
implementation

Navigating the Uncanny
Valley: when nurses work
with robots

Top Notch Speakers Line-Up

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

Featuring
C-Level
Speakers
Line Up

HEATHER GRAIN
Board Member,
Chairperson
HL7 Australia,
HL7 International
Terminology
Authority

CHRISTINE GILES
CEO,
Portland
District Hospital

DEWALD BOTHA
Chief Technology
Officer
Tristar Medical
Group

CHRISTOPHER BAIN
Chief Health
Information Services
Manager
Mercy Public
Hospitals

DAMIAN CLAYDON-PLATT
Chief Clinical
Information Officer
Epworth Healthcare

RUSSEL WITHERS
Executive
Director, Information
& Performance/Chief
Information
Officer
Footscray Hospital/
Western Health

LISA LEWERS

Heartbeat AI

PROFESSOR ERWIN LOH
Executive
Director, Innovation,
Patient Safety
& Experience/Chief
Medical Officer
Monash Health

CHRIS GUEST
ICT Strategic
Manager,
ForensiCare
Victorian
Government

DR TAM C NGUYEN
Executive
Officer of Research
St Vincent's
Hospital

REBECCA BELL,
General Manager
Medibank

DEMOS KROUSKOS
Chief
Executive Officer,
North Richmond
Community Health

DARRIN HACKETT
Executive Director,
Virtual Care and
Innovation
Waikato DHB

COREY SNELL
Chief Information
Officer
Catholic Healthcare

BRONWYN LE GRICE
Managing Director,
ANDHealth/
Co-Founder and
Health Special
Advisor, **BioScience**
Managers

Top Notch Speakers Line-Up

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

JEREMY KESTENBERG, Managing Director, **Revita Health for Seniors**

DR ANDREW WALBY, Director (Emergency Medicine), **St. Vincent's Hospital**

KATIE DOAN, Patient Experience Program Coordinator, Transformation and Quality, **Melbourne Health/The Royal Melbourne Hospital**

ANNE MENNEN, Director of Development, **Victorian Heart Hospital**

MATIU BUSH, Design Integration Lead, **Bolton Clarke**

MELISSA BAYSARI, Senior Research Fellow, Centre for Health Systems & Safety Research, **Australian Institute of Health Innovation**

CHERYL MCCULLAGH, Director of Clinical Integration, **The Sydney Children's Hospitals Network**

RENEA COLLINS, Clinical Director for eHealth, **Metro South Health Service**

RENEE CHMIELEWSKI, Director, Consumer Engagement & Volunteer Services, **Austin Health**

SANJOY NAND, Service Manager, Pharmacy & Medication Safety, **Middlemore Hospital**

CHRISTOPHER KOMMATAS, Research Innovation Manager/ Accelerator Program Director, **Melbourne Health**

ADRIAN HUTCHINSON, Chief Nursing & Allied Health Information Officer, **Royal Children's Hospital, Melbourne**

LIAM MCGUIRE, Executive Director (Healthcare), **Opaque Multimedia**

ASSOC PROFESSOR SONJA PEZELL, Director, Future Self & Design Living Lab, **Swinburne University**

IRESHA HERATH, General Counsel, **Western Health**

ROD SPRENGER, Technology Program Manager, **Victorian Heart Hospital**

SHARON WALSH, Director, Outpatient Transformation, **The Royal Melbourne Hospital**

ALASTAIR MAH, Chief Medical Officer, **Barwon Health & University Hospital Geelong** Surveyor, **Australian Council on Healthcare Standards**

PATRIK HUTZEL, Director, **Intensive Care at Home**

DR SANDEEP REDDY, Deputy Director (MBA Healthcare Management), **School of Medicine, Deakin University**

ROSS HARDY, Founder, **Adyuvu**

DR SHYAMAN MENON, Clinical Director, Emergency Services, **Frankston Hospital, Peninsula Health**

KAREN HOOPER, Managing Director, **Primaxis**

DAVID PERRY, National Sales Manager ANZ – Healthcare Division, **Peacock Bros**

Top Notch Speakers Line-Up

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

CHRISTOPHER ARNOLD, Executive Director, Skin & Cancer Foundation Chairman, **Human Variome Project International**

NAOMI DOBROFF, Chief Nursing Information Officer, **Monash Health**

ANDREW SAUNDER, Health Chief Information Officer, **Department of Health and Human Services, Victoria** *(invited)*

MICHAEL KENIHAN, General Manager/Director, **Melbourne Stem Cell Centre**

NICHOLAS OPIE, Chief Technology Officer, **SmartStent/University of Melbourne**

DR YANG LI, Data Scientist (Health), **AI Sydney**

5 Unbeatable Reasons why this is an uniquely different Must-Attend Healthcare Summit of the Year:

1. Fresh, novel, first-time topics directly relevant to hospital efficiency, clinician effectiveness and positive patient outcomes
2. At one singular platform, meet with CEOs, Managing Directors, CIOs, CTOs, Directors, Clinicians, Nursing Experts, Technology Leaders, Investors and all key decision makers in the whole healthcare ecosystem
3. Practical real-situation best practice experience to be liberally shared, no motherhood statements, with many successful digital health case studies
4. Take the front seat as new Healthcare Technologies are being rolled out, discovered and beta-tested for final clinical adoption
5. How digital health models would have to change, with the full application of human centered design and real-life user experience, with good patient outcomes as the goal, in applying technology to models of care

Make the most of THE 3RD DIGITAL HOSPITAL & HEALTHCARE INNOVATIONS SUMMIT

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

2016 Summit **More than 150 delegates:**

- Nib Health Funds Limited
 - Gold Coast Hospital & Health Service
 - Western Sydney Local Health District
 - Siemens Healthineers
 - University of Otago
 - Australian Health Design Council
 - The George Institute for Global Health
 - Dell Inc.
 - St Vincent's Health Australia
 - Calvary Healthcare
- and many more*

Bronze Sponsor

Established in 1888 as a printing business, we have grown into one of the ANZ region's largest providers of identification, tracking and mobility solutions in the supply chain.

With over 12,000 customers, Peacock Bros manufactures high quality labels, tags, and thermal ribbons. We also install and support world-leading printing and data capture equipment from brands such as Zebra Technologies, Honeywell and Motorola. With our own in-house development team and a dedicated service and support centre, we tackle challenges that other companies simply wouldn't touch.

Despite our growth, Peacock Bros today remains committed to the family values that we have lived by since day one. These values include integrity, respect and loyalty for our customers and the people we employ. We wouldn't want it any other way.

Brand Sponsor

Agility is used by state-of-the-art health facilities across the globe to help create efficient, highly functioning Healthcare environments for clinical, support staff and patients alike. It enables a vast range of hard and soft services to be coordinated and managed across entire sites. Agility provides a flexible, single, sophisticated operational platform whilst ensuring ease-of-use for each user.

Agility is developed by SoftSols Group, a global software business, established in 1983. We are very proud of the service, value and capabilities we have been able to deliver into the Healthcare sector and to be associated with the forthcoming Digital Hospital event.

Presentation Sponsors

At Siemens Healthineers, we want to make healthcare providers succeed in an ever-changing healthcare industry – by helping them deliver better outcomes at lower costs. This purpose drives our focus: to lead the transformation of healthcare together with the ones delivering it.

In healthcare, change is rapid and ongoing, and we understand the challenges and pressures that come along with it.

Being a leading global healthcare company, we at Siemens Healthineers are continuously developing our portfolio, from medical imaging and laboratory diagnostics, to adding managed services, consulting, and healthcare IT services – as well as further technologies for therapeutic and molecular diagnostics.

For 23+ years, Primaxis has provided solutions and services to various market segments across Australasia. Primaxis specializes in streamlining business processes with a high level of expertise and service. Our approach is to incorporate and integrate technologies using agile methodology, mindful of cognitive and AI and how they can enhance our solutions. Our team includes published authors, award winning instructors, multi-talented software engineers and infrastructure experts, all with a vested interest in finding new ways to enhance the achievements of our clients. We work with world renowned technology partners such as IBM and Microsoft, while offering our in-house designed platforms

including an Interpreter Management System and Safety Management software. Primaxis value the relationships we build with clients, helping them work smarter and giving them a leading edge.

Our Vision: Allscripts: Building Open, connected communities of health.

Our Mission: Allscripts solutions enable smarter care, delivered with greater precision, for healthier patients, populations and communities.

Our Focus: Helping you succeed and serving as your trusted partner.

We make a commitment to your success by providing you the following essentials:

- We strengthen your IT foundation by delivering the most comprehensive, user-friendly and core clinical and financial solutions available today.
- We help elevate your success by providing insights and innovations so you can meet the operational, regulatory and quality demands of today's — and tomorrow's — healthcare environment.
- We connect everyone across the healthcare community by offering open and interoperable solutions that empower communication, collaboration and coordination for better outcomes.
- We help build your bridge to the future, by constantly innovating to improve the practice of medicine and the process of care delivery.

We're a team of more than 7,000 strong devoted to fulfilling your needs today and creating the healthcare IT architecture of tomorrow.

Our journey began humbly in 1984 at a guardhouse in China, when Legend Holdings was formed with an investment of just RMB 200,000 (US\$ 25,000). In 1988, we opened for business in Hong Kong and, within eight years, we became China's largest PC company. In 2004, we were renamed Lenovo.

Today, we are a US\$46 billion multinational company with 55,000 employees serving customers in over 160 countries. Ranked #202 on the Fortune 500 list, we are proud to be the world's largest PC vendor. Our portfolio now includes workstations, servers, storage solutions, IT management software, smart TVs, tablets, smartphones, and even apps.

As the world becomes faster, more demanding, and more competitive, so has our business. By continually innovating, we enable our customers to challenge and inspire everyone around them. And help keep things moving forward in a more interesting way.

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

Media Partners

The Australian Information Industry Association (AIIA) is Australia's peak representative body and advocacy group for those in the digital ecosystem. We are a not-for-profit organization to benefit members, and AIIA membership fees are tax deductible. Since 1978 the AIIA has pursued activities to stimulate and grow the digital ecosystem, to create a favorable business environment for our members and to contribute to Australia's economic prosperity.

We do this by delivering outstanding member value by:

- providing a strong voice of influence
- building a sense of community through events and education
- enabling a network for collaboration and inspiration; and
- developing compelling content and relevant and interesting information

Visit: www.aiaa.com.au

The Hospital and Health Suppliers Guide is Australia's leading niche market directory and website, matching suppliers with health industry purchasers throughout Australia for the past 39 years.

Published annually since 1976, the Hospital and Health Suppliers Guide showcases over 2000 of Australia's top health suppliers and is complimented by our e-Book and enhanced website.

Visit: www.hospitalsuppliers.com.au

The Australian Healthcare and Hospitals Association (AHHA) is Australia's national peak body for public health care providers. We provide our members with a national voice for public health care. Our vision is for an effective, innovative and sustainable health system where all Australian have equitable access to healthcare of the highest standard when and where they need it.

AHHA's major activities include robust advocacy and research programs, offering a variety of training opportunities for members and hosting events to showcase research, provide information and encourage debate and knowledge sharing in the Australian health community.

Visit: www.ahha.asn.au

Our vision: Building intelligent Health Organizations through collaboration learning...

Our mission: To improve patient care and support health care workers by assuring access to the right information in the right place at the right time.

Visit: www.healthxn.com.au

Medical professionals and allied health staff are practising in an age where electronic data is fast superceding our traditional paper based data. Moving this electronic data from stationary computers to convenient handheld mobile devices represents the cutting edge of technological developments in medicine. We are seeing the development of smartphones, tablets, telemedicine, and highly portable versions of previously large immobile equipment. Modern medicine is a science that heavily relies on evidence based decision making. Our vision is to be the foremost resource for quality research examining the varied uses of mobile technologies in medicine, allowing for evidence based decision making. Our mission is to promote further development in this field by documenting advances, providing a field for discussion, and stimulating further research.

Visit: www.journalmtm.com

Since 2004, Medgadget has been reporting on medical technology from around the world. We cover the latest medical devices and approvals, technology breakthroughs and discoveries, conduct exclusive interviews with med tech leaders, and file reports from healthcare conferences.

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

Capitalize on this Summit

Do you have solutions to help enhance patient outcome & clinician effectiveness? For Managing Partners and Partners, this Summit provides an unprecedented opportunity to tap on to new clients. Looking for the ideal platform to raise your profile and to increase your ROI?

Join us as a Corporate Sponsor and Exhibitor at the **3rd Digital Hospital & Healthcare Innovations Summit!**
More details will be furnished upon request.

Leverage our limited sponsorship packages to strength and confirm your market position through consistent and continual branding awareness and take advantage of the plethora of opportunities with high level decision makers.

Your Partnership with us will provide you with:

- **Unparalleled industry exposure**
- **Leads generation and set-up of meetings with key decision makers**
- **Positioning your company as a thought-leader**
- **Reaffirming your position in the industry**

Please contact **Catherine Werner** at **+65 6716 9996** or email catherine@claridenglobal.com to discuss potential exhibition and sponsorship opportunities or to customize your own package.

.....

Benefits as Media Partner or Supporting Organization at the **3rd Digital Hospital & Healthcare Innovations Summit**

- **Enhance your corporate profile and visibility within your industry** – Your company's logo will be emblazoned on our brochures and distributed to key decision makers across Australasia
- **Affiliation with Australasia's best commercial event organizer**

Clariden Global events are widely known and well supported throughout the Asia-Australasia region for giving best value to senior industry executives. We partner with selected media and supporting organizations, capable of delivering the highest caliber of expert knowledge and key industry insights to the target market.

If you meet the criteria mentioned above and would like to explore the opportunity to partner with us for the **3rd Digital Hospital & Healthcare Innovations Summit**, please contact **Kevin Young** at **+61 3 9903 7310** or email kevin@claridenglobal.org.

Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

DAY ONE – 10 OCTOBER 2017

09:00 Welcome Remarks by Clariden Global

Conference Chairman:

Dr Damian Claydon-Platt, Chief Clinical Information Officer, Epworth Healthcare

Rebecca Bell, General Manager, **Medibank**

Bronwyn Le Grice, Managing Director, **ANDHealth/Co-Founder** and Health Special Advisor, **BioScience Managers**

09:05 De-risking Investment in Digital Health technologies and overcoming the barriers to commercialization of digital health technologies

Bronwyn Le Grice, Managing Director, **ANDHealth**, **Australia's National Digital Health Initiative**

11:20 Healthcare & Hospital Senior Management Forum

- What's next for healthcare and where do we see ourselves in 15-20 years?
- Current and recently completed digital hospital projects
- The challenge of achieving optimal patient care outcomes & delivering new models of care
- Managing disrupting technologies in medicine
- Delivering cost-effective healthcare services
- Thinking outside the box
- The Whole-of-Health Approach
- Implementing transformative strategies that work
- The medical doctor's perspective of digital healthcare
- Transforming healthcare for seniors & community health
- Regulatory & Legal Challenges in the Healthcare sector
- Sector focus: The use of Technology in Emergency Medicine

09:40 Overcoming the Challenges of Inter-Operability in Digital Healthcare and Standards

Heather Grain

Board Member, **HL7 Australia**
Chairperson, **HL7 International Terminology Authority**
International Standards Organisation TC215 (Health Informatics) Semantic Content Expert
Technical Advisor to the Governments of India and Brazil on eHealth

10:10 Morning Refreshments

10:40 Opportunities for New Investments in Healthcare, Digital Health and Health-Tech: Perspectives from CEO, Investors, Incubators, Business Collaborators, Hospitals

- New Opportunities & Challenges in financing new healthcare projects and business
- Pricing framework for public hospital services
- Looking at how health records and data can be the center of a policy targeting new healthcare investments and state economic development
- Case studies of concrete initiatives in new healthcare investments, and their impact on developing new health initiatives
- Affordable healthcare and insurance
- Innovation in the digital and health space
- How can private health insurance reshape healthcare delivery for improved health outcomes?
- Changes in future funding arrangements
- Commercialization of Medical & Healthcare Research: Business & Industry Collaboration Opportunities & Strategies
- From Lab to Ward: Translational medicine in practice
- Optimizing ROI in healthcare investments
- Health Policy Evolution, Strategy Design and Healthcare Innovation

Dr Tam C Nguyen, Executive Officer of Research, **St Vincent's Hospital**

Christopher Kommatas, Research Innovation Manager/ Accelerator Program Director, **Melbourne Health**

Christine Giles, CEO, **Portland District Hospital**

Demos Krousos, Chief Executive Officer, **North Richmond Community Health**

Jeremy Kestenberg, Managing Director, **Revita Health for Seniors**

Dr Andrew Walby, Director (Emergency Medicine), **St. Vincent's Hospital**

Iresha Herath, General Counsel, **Western Health**

Cory Snell, Chief Information Officer, **Catholic Healthcare**

Dr Shyaman Menon, Clinical Director, Emergency Services, **Frankston Hospital, Peninsula Health**

Dr Sandeep Reddy, Deputy Director (MBA Healthcare Management), **School of Medicine, Deakin University**

Christopher Arnold, Executive Director, Skin & Cancer Foundation Chairman, **Human Variome Project International**

12:10 The rise in demand & costs for translation services and how to bring in Cost Effective Measures

Karen Hooper, Managing Director, **Primaxis**

Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

12:30 *Networking Luncheon*

14:00 **Driving Patient's Journey and Experience through Data and Technology**

- Patient Journey Modelling - Improving Patient Flows
- Improving operational management (especially where changes have resulted from partnering with consumers)
- Reducing Medication Errors and Patient Safety in Hospitals
- ICT initiatives that demonstrate sustainable patient flow improvements
- Strategies and challenges in patient engagement
- Contingency planning, protocols including scalability of escalation/surge responses
- Utilising hospital avoidance strategies to mitigate demand
- Digital referral channels: Protocols for reassigning patients offsite for non-acute care
- Strengthening the discharge process
- Embed clinical governance to improve patient outcomes and care
- Improve the flow of information to better identify deficiencies of care
- Apply innovative patient-centered models for quality and safety excellence
- Strengthen clinician engagement and communication during handover
- Quality improvement activities towards medication safety interventions
- Understanding what part of the patient journey and therefore benefit realisation is actually attributable to a digital health record rather than the current motherhood type benefits that rely on actions as a result of information visibility not just that a risk assessment was completed

Katie Doan, Patient Experience Program Coordinator, Transformation and Quality, **Melbourne Health/The Royal Melbourne Hospital**

Renee Chmielewski, Director, Consumer Engagement & Volunteer Services, **Austin Health**

Sharon Walsh, Director, Outpatient Transformation, **The Royal Melbourne Hospital**

14:45 **Case Study: How an existing healthcare outfit transform itself into a successful Digital Hospital**

- Understanding the complexity of a Digital Hospital
- Learning from failed initiatives
- System transformation with limited resources
- Defining digital strategy and implementation: challenges to overcome and options
- Clinical engagement in digital health

Chris Guest, ICT Strategic Manager, ForensiCare, **Victorian Government**

15:30 *Afternoon Refreshment & Networking*

15:45 **Case Study of the Clinical & ICT Journey of a new Heart Hospital**

- Planning and developing a heart hospital
- Future-proofing for capacity growth and new paradigms of care
- Strategy for clinical transformation
- Planned technology, HIMSS 6 aspirations
- Integrating eHealth solutions in design

Anne Mennen, Director of Development, **Victorian Heart Hospital**

Rod Sprenger, Technology Program Manager, **Victorian Heart Hospital**

16:30 **Case Study of Digitization in Rural Health**

How to strategize digital health for better patient outcomes for the regional and rural communities

Dewald Botha, Chief Technology Officer, **Tristar Medical Group**

17:00 **Closing Remarks**

17:15 **Champagne Cocktail Networking Session (Sponsorship Opportunity Available)**

Enjoy a glass of champagne whilst networking with other like-minded individuals on topics that are of most interest to you and fellow delegates.

Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

DAY TWO – 11 OCTOBER 2017

09:00 **Chairman's Welcome Remarks**

09:05 **Human Centered Design and User Experience in applying technology to models of care and how those models have to change**

Matiu Bush, Design Integration Lead, **Bolton Clarke**

09:45 **Usability and User Experience of software based healthcare technology**

- Integrating clinician concerns and requirements in the digitization process
- Educating clinicians about what to ask for when it comes to usability and user experience
- Consulting with end-user clinicians to ensure systems and processes meet needs
- Enhancing clinician understanding of technology and addressing their negative experiences with technology
- Setting benchmarks for end-user functionality and driving optimal clinician experience

Christopher Bain, Chief Health Information Services Manager, **Mercy Public Hospitals**

10:15 **Design challenges for the next generation of computerised decision support**

- Computerized decision support (CDS) has the potential to improve safety and efficiency of care
- CDS is a deceptively simple concept and getting it right is a major challenge
- Ongoing evaluation of CDS is critical to ensure that it remains usable and useful

Melissa Baysari, Senior Research Fellow, Centre for Health Systems & Safety Research, **Australian Institute of Health Innovation**

10:45 **Morning Refreshments**

11:00 **Health Informatics: Enabling Better Care**

- Drivers of Change
- Clinical Transformation at the Coalface
- The Digital Divide

Damian Claydon-Platt, Chief Clinical Information Officer, **Epworth Healthcare**

11:20 **Healthcare CIO & IoT Forum**

- Technological Innovation and the Future of Medicine
- From legacy systems to new tech: the transformation journey and implications for adoption
- Design challenges for the next generation of computerized decision support
- Internet of Things and sensing as a service
- Connected devices for Healthcare
- Proof of Concept for new Health-Tech startups, integrating into the hospital & healthcare ecosystems
- Evaluating for the right vendors/suppliers
- Reverse thinking: allowing business transformation to drive IT initiatives
- Driving SMD (Secure Message Delivery) interoperability
- Longitudinal patient record integration
- Developments on the "My Health Record" Program & the National Digital Health Plan

Damian Claydon-Platt, Chief Clinical Information Officer, **Epworth Healthcare**

Russel Withers, Executive Director, Information & Performance/Chief Information Officer, **Footscray Hospital**

Andrew Crawford, Director, **Primary & Community Care Services**, Advisory Director, **ACS Foundation**

Dewald Botha, Chief Technology Officer, **Tristar Medical Group**

Adrian Hutchinson, Chief Nursing & Allied Health Information Officer, **Royal Children's Hospital, Melbourne**

Naomi Dobroff, Chief Nursing Information Officer, **Monash Health**

Andrew Saunder, Health Chief Information Officer, **Department of Health and Human Services, Victoria** *(invited)*

12:10 **The Future of Medicine and Technological Innovations**

- The Future of Medicine and Technological Innovation
- On the ground clinical experience
- Real world constraints
- The Future of Stem Cell Research & Applications
- Inclusiveness and patient safety

Professor Erwin Loh, Executive Director, Innovation, Patient Safety & Experience/Chief Medical Officer, **Monash Health**

Michael Kenihan, General Manager/Director, **Melbourne Stem Cell Centre**

12:30 **Presentation by Senior Management, Siemens Healthcare**

SIEMENS
Healthineers

Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

12:40 The Importance of Patient Identification and Standards

David Perry, National Sales Manager ANZ – Healthcare Division, **Peacock Bros**

- Clinical decision support systems in Hospitals
- AI for Healthcare and Hospital Operations
- Emotive AI for therapeutic care
- Artificial intelligence will be a key enabler of digital health capabilities
- Disruptive Technology for Chronic Disease Management

Dr Yang Li, Data Scientist (Health), **AI Sydney**

Lisa Lewers, Co-Founder, **Heartbeat AI**

Ross Hardy, Founder, **Adyuvu**

and other invited AI/Analytics experts

12:50 Lunch and Networking

13:45 Interactive Sessions:

Advances in Medical Robotics

- Use of robotics in revolutionizing Medical Robotics & Bionics healthcare delivery
- Robotics in the surgical theatre
- Soft robotics for aftercare therapy
- Robotic-human physio for seniors?
- Automation cost and acceptance
- Latest developments in Vascular Bionics

Nicholas Opie, Chief Technology Officer, **SmartStent/University of Melbourne**

Jeremy Kestenberg, Managing Director, **Revita Health for Seniors**

15:15 Nursing Leadership and Technological Changes

- Developing Nursing Leadership programs
- Real-time monitoring of prospective gaps in mandatory risk assessments
- The adept use of nursing information and data
- Integrating patient care
- Infection prevention in the wards
- Managing nursing shortage and talent management challenges
- Intensive Home Care Telehealth & Remote Monitoring

Christine Giles, CEO, **Portland District Hospital**

Cheryl McCullagh, Director of Clinical Integration, **The Sydney Children's Hospitals Network**

Patrik Hutzel, Director, **Intensive Care at Home**

14:15 Advances in Medical Virtualization, Healthcare AR/VR & Telemedicine

- Advent of Virtualization & AR in healthcare
- Beyond telehealth to virtualizing care
- The national move to facilitate digital access through health care homes
- Connected care: linking health and social care into the home
- Tele-surgery pilot projects
- Case study: AR in RCH, Melbourne
- Case Study of Astronaut Health & VR, in collaboration with NASA, USA

Darrin Hackett, Executive Director, Virtual Care and Innovation, **Waikato DHB**

Liam McGuire, Executive Director (Healthcare), **Opaque Multimedia**

15:45 Advances in Pharma Practice

- ADMs in Pharma & Clinical Practice

Sanjoy Nand, Service Manager, Pharmacy & Medication Safety, **Middlemore Hospital**

14:45 Advances in Artificial Intelligence, Deep Learning: Disruptive Technology & Big Data in Healthcare

- Data analytics is now a key pillar of digital health
- Smart clinical decisions and big data
- Leveraging clouding computing and deep learning for wider accessibility of advanced diagnostics
- Leveraging care pathways to deliver better outcomes

16:30 Case Study of an Integrated electronic medical record (ieMR) strategy and implementation

Renea Collins, Clinical Director for eHealth, **Metro South Health Service**

16:15 Afternoon Refreshment & Networking

Main Summit Agenda

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

17:00 Case Study of Co-Designing the “Waiting Room of the Future” with Staff and Patients

Assoc Professor Sonja Pedell, Director, Future Self & Design Living Lab, Swinburne University

17:30 Healthcare of the Future Panel Discussion

- Healthcare solutions of the future need to focus on prevention rather than cures
- Patient specific devices and the future development of bespoke healthcare
- From predictive analytics to prescriptive analytics?

Invited Speakers of the Summit

18:00 Closing Remarks & End of Day 2

Post Summit Seminar & Hospital Tour

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

DAY THREE - 12 OCTOBER 2017

Workshop Timetable: **Post Summit Seminar** will run from 9.00 – 12.30 with mid morning and luncheon breaks. **Hospital Tour** will run from 14:00 – 17:00 with a mid afternoon refreshment break. Registration begins 30 minutes before post summit seminar and hospital tour commence.

Post Summit Seminar: 09:00 - 12:30 (Sponsorship Opportunities Available)

Leading Change in Connected Health & Optimizing Digital Technology Solutions in Healthcare

Led by **Darrin Hackett**, Executive Director, Virtual Care and Innovation, **Waikato DHB**. Under Darrin's leadership, Waikato DHB won the IDC Award for Connected Health in the IDC Awards recently for its SmartHealth Initiative. From 2007 to 2015, he was Chief Information Officer for a number of DHBs in New Zealand, and prior to that, an ICT expert with IBM.

By: **Darrin Hackett**, Executive Director, Virtual Care and Innovation, **CD Thames Hospital, CD Virtual Healthcare, Waikato DHB**

Hospital Tour: 14:00 - 17:00 (Sponsorship Opportunities Available)

Visit to Royal Children's Hospital, Parkville, Melbourne

Hospital Tour & Presentation on RCH's Digital Journey on Becoming a HIMSS Level 6 Hospital.

By: **Adrian Hutchinson**, Chief Nursing & Allied Health Information Officer, **Royal Children's Hospital, Melbourne**

Welcome to the THE 3RD DIGITAL HOSPITAL & HEALTHCARE INNOVATIONS SUMMIT

Augmenting Health: Towards Better Patient Outcome, Clinical Effectiveness

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

WHO YOU WILL MEET:

Industries/Sectors:

- Public Hospitals
- Private Hospitals
- Local Area Health Services
- Aged Care Facilities
- Primary Care & Allied Care
- Federal Government Departments
- State & Territory Government Departments
- Health ICT Software and Technology Providers
- ICT Consultants
- Medical Centres
- Nursing Homes
- Community Hospitals
- Indigenous & Rural Health
- Healthcare Investors & Angels

Summit Highlights

10 - 12 OCTOBER 2017 | PULLMAN MELBOURNE ON THE PARK, MELBOURNE

10 GOOD REASONS TO JOIN US THIS OCTOBER AT THE 3RD DIGITAL HOSPITAL & HEALTHCARE INNOVATIONS SUMMIT

1 Receive Updates on the Long-Term Healthcare Plans and Digital Health Strategies from the Federal Government and the Victorian State Government

Understand how to manage chronic diseases of ageing through technology and bespoke healthcare solutions for seniors

10

2 Track the evolving role and advances in digital hospitals and learn how you can steadily redesign the delivery of healthcare in Australia & New Zealand

Recognize the critical need of cybersecurity, in the wake of new ransomware and other hackings

9

3 Discover new healthcare investment opportunities and the latest technologies to improve healthcare provision and stay relevant with the changing healthcare scenario

Quantify how investments in digital technology can translate into measurable improvements for better patient outcome, safety and the health professionals' effectiveness

4

4 Learn from hospitals that have taken the successful digital path to deal with unexpected challenges encountered, but still achieving sustainable healthcare delivery with improved ROI

Network and forge new collaboration with many CEOs and other high-level and C-level decision-makers

7

5 Develop a more complete whole-of-health approach that involves all stakeholders in the healthcare of the future value chain and speed up the change management process

Redefine patient engagement through care and optimizing patient journey via digital platforms

6
