CFO Program: Changing Role of the CFO – Reviews and Testimonials

REVIEWS AND TESTIMONIALS

“Dr John Percival is a great presenter. He gave us scenarios, pointed to us various ways of looking at the issues. Possible solution but leave it to us to determine what is best for the individual and the company. It has been a very interesting three-day talk”

- Deputy CEO, Keppel Communications Pte Ltd (2012 Participant)

“The course opened my eyes and broadened my perspectives about the role of CFO in a company”

- CFO, Star Energy Ltd(2012 Participant)

“Very impressive faculty. This program accurately pinpoints its objectives and faculty is making a remarkable difference here.”

- CFO, AIDD Group (2011 Participant)

“Dr. Johnh Percival shared his experiences and knowledge in the world of finance, which gave me insights and another view. He has excellent presentation techniques.”

- Deputy CFO, Masan Group (2011 Participant)

“The materials provided for the program are very relevant ad information. There are so much more clarity the subject discussed as they are based on examples and case studies”

- Group Finance Director, Hallin Marine Singapore Pte Ltd (2011 Participant)

“This program presents excellent opportunity for me to take a step back and re-evaluate on role of CFO within the corporation and think of how we can become more strategically supporting the CEO”

- GM, Standard Foods (2011 Participant)

“This program better than any other “programs I had in my 2 year MBA programs”

- Finance Director, World Family (2012 Participant)

“The entire course material was very effectively covered in the right time frame”

- Finance Director, Baker Hughes (2012 Participant)

“Very good program with the right mix of academic and practical applications.”

- Finance Director, Coca Cola (2012 Participant)
